

RENAISSANCE LEGAL WORKS AT LAURENTIAN UNIVERSITY LIBRARY

Robert Toupin, S.J. of the Department of History of Laurentian University has kindly submitted to the Bulletin a list of rare legal works owned by the University Library. Of these, the editors present all those published up to the early eighteenth century as our first Addenda to the Finding List of Renaissance Legal Works to 1700 (R & R, IV, nos. 1-3). We have assigned to each book a category and number so as to indicate its relation to the earlier list.
